Subject: Acceptance of Amended Notice of Intention to Commence Small Mining Operations, Century Gold Mining and Milling Company, Inc., Century Mine, S/003/0077, Box Elder County, Utah

Dear Mr. Gillespie:

The Division finds your amended Notice of Intention to Commence Small Mining Operations (Notice) complete. On February 2, 2011, we received the increased surety amount for this amendment. You are now permitted to conduct small mining activities as outlined in the amended Notice provided you have approval from all other appropriate agencies. Please sign the amended reclamation contract page and return to our office at your earliest convenience. The approval or acceptance of a complete notice of intention does not relieve an operator from his responsibility to comply with the applicable statutes, rules, regulations, and ordinances of all local, state and federal agencies with jurisdiction over any aspect of the operator's mining operations. Enclosed please find a copy of the approved amendment to your Notice.

Thank you for your cooperation. In reply, please refer to file number S/003/0077. If you have questions or concerns regarding this letter, please contact me at 801-538-5261 or Lynn Kunzler at 801-538-5310.

Sincerely,

Paul B. Baker
Minerals Program Manager
